

## **Automated Trash and Recycling Information**

### **Replacement Cart Procedures**

One cart per household will be provided by the city free of charge for each household. The collection and disposal costs of the trash placed in them will also be free-of-charge for the first cart. If your **cart is broken, please contact Allied Waste Customer Service at 1 (800) 442-9006** to arrange an **exchange for a replacement cart.**

**If your cart is stolen**, and needs to be replaced, it will be **mandatory** to complete a **stolen cart Police Report** before a new cart can be issued.

As in the case of the initial “free-of-charge” cart, the replacement cart will be provided free-of-charge and will also be the property of the City of Lawrence. Residents moving away from the city are required to notify the Department of Public Works, contact Norm Nimmo, Recycling Coordinator at the number listed below.

For a downloadable stolen cart police report, please click on the **Replacement / Stolen Cart Police Report** sub-heading.
